

Cookie Policy

Effective date: 06/20/2026

This Cookie Policy explains how VeraxIT Staffing Solutions (a brand of Verax Information Technology Group, LLC) uses cookies and similar technologies on veraxitstaffingsolutions.com (the "Site").

What are cookies?

Cookies are small text files placed on your device when you visit a website. They help the site function, remember your preferences, and understand how the site is used.

How we use cookies

Our Site is built and hosted on the Wix platform, which sets certain cookies that are necessary for the Site to work and to keep it secure. We may also use cookies to understand how visitors use the Site so we can improve it.

We use the following categories of cookies:

- **Strictly necessary cookies** — required for the Site to function and remain secure (for example, Wix's essential and security cookies). These cannot be switched off.
- **Functional cookies** — remember choices you make to improve your experience.
- **Analytics / performance cookies** — help us understand how visitors interact with the Site (for example, which pages are viewed) so we can improve it.

Third-party cookies

Some cookies are set by third parties whose services appear on or support our Site, such as our hosting provider (Wix) and any embedded tools (for example, a scheduling tool). These third parties may collect information in accordance with their own privacy and cookie policies.

Managing cookies

You can control and delete cookies through your browser settings, and you can usually set your browser to refuse cookies or alert you when cookies are being sent. If our Site displays a cookie consent banner, you can use it to manage your preferences. Note that disabling some cookies may affect how the Site functions.

Changes to this policy

We may update this Cookie Policy from time to time. The "Effective date" above shows when it was last revised.
