This Privacy Policy explains what information we collect through veraxitstaffingsolutions.com (the "Site"), how we use it, and the choices you have.

Verax Information Technology Group, LLC, d/b/a VeraxIT Staffing Solutions 1910 Pacific Ave, Suite 2000-1480, Dallas, TX 75201 info@veraxitstaffingsolutions.com · (214) 664-9768

Information we collect

Information you provide to us. When you contact us through our website form, book a call, or email us, we collect the information you choose to share — typically your name, company or recruiting firm, work email address, phone number (optional), the roles you're working, and the contents of your message.

Candidate and recruiting information. As part of our services to recruiting and staffing partners, we may receive and process information about job candidates (such as resumes, work history, and screening notes). We handle this information to provide sourcing and technical screening services and share it only as needed with the partner who engaged us.

Information collected automatically. Like most websites, our Site (which is hosted on the Wix platform) automatically collects certain technical information through cookies and similar technologies, such as your IP address, browser type, device information, pages viewed, and referring pages. See our Cookie Policy for details.

How we use your information

We use the information we collect to:

- Respond to your inquiries and communicate with you;
- Provide, operate, and improve our services;
- Schedule and conduct calls and meetings;
- Maintain the security and functionality of our Site;
- Comply with legal obligations and enforce our agreements.

We do not sell your personal information.

How we share information

We may share information with:

- **Service providers** that help us operate, such as our website host (Wix) and our email and scheduling providers (Google Workspace / Google Calendar), who process information on our behalf;
- **Recruiting and staffing partners**, in the limited context of candidate sourcing and screening engagements;
- **Authorities or others** when required by law, to protect our rights, or in connection with a business transfer.

Data retention

We keep personal information only as long as needed for the purposes described in this policy, to maintain our business relationships, and to meet legal, accounting, or reporting requirements.

Security

We take reasonable measures to protect personal information. However, no method of transmission or storage is completely secure, and we cannot guarantee absolute security.

Your privacy rights

Depending on where you live, you may have rights under applicable data-protection laws (such as the Texas Data Privacy and Security Act, and, for certain visitors, other U.S. state laws, the GDPR, or similar regulations) to access, correct, delete, or restrict the use of your personal information, or to opt out of certain processing. To make a request, contact us at info@veraxitstaffingsolutions.com. We will respond as required by applicable law. Because we do not sell personal information, no opt-out of "sale" is required, but you may still contact us with any questions.

Third-party links

Our Site may link to third-party websites or services we do not control. This policy does not apply to those sites, and we encourage you to review their privacy policies.

Children's privacy

Our Site and services are intended for businesses and professionals and are not directed to individuals under 18. We do not knowingly collect personal information from children.

Changes to this policy

We may update this Privacy Policy from time to time. The "Effective date" above shows when it was last revised. Material changes will be posted on this page.
